

Language Center at Tec de Monterrey

Spanish is one of the most spoken languages around the world. Immerse yourself in the Mexican Culture through its language and live an amazing experience learning Spanish at Tec de Monterrey.

Guarantee Spanish Learning experience through
DNA Tec de Monterrey Language Courses!

Embark on an enriching Spanish language journey at our TEC de Monterrey Language Center in Querétaro, a vibrant and modern city with a preserved colonial charm in the heart of Mexico.

We have designed a course for Spanish learners with a communicative approach, so that you can learn Spanish while immersing yourself in Mexican Culture.

Dive into a 60-hour intensive course, spanning three hours each day from Mondays to Fridays over four immersive weeks. As an added option, delve deeper into the fabric of Mexico with an extra hour daily in our "Introduction to Mexican Culture" course.

Choose from two intensive groups tailored to your proficiency level – one for beginners and another for intermediate learners. Our commitment is to ensure your language-learning journey is not only educational but also interactive and engaging. Discover the beauty of the Spanish language with dynamic interactions among passionate teachers and fellow Spanish learners. Get ready to embrace a linguistic adventure that opens doors to a world of cultural connections.

On weekends you will have time to explore archaeological wonders, and stroll through colonial towns, all while honing your Spanish skills.

Campus Querétaro

Is the fourth largest campus in the country with more than 7000 students, of which 55% are from other states and more than 400 international students from around the world. Queretaro's excellent location, modern infrastructure, diversity of people, food, and touristic places make the state one of the best destinations to visit. In addition, Queretaro is one of the safest, innovative, and state-of-the-art sectors in industrial production, education, and technology.
